Name **VALERIANI MASSIMILIANO**
Address **15°, VIA GAVORRANO, 00149 ROME, ITALY**
Phone **+393384239614**
Fax **+390668592463**
E-mail m.valeriani@tiscali.it, valeriani@opbg.net
Nationality Italian
Birth date 28/06/1967

JOB EXPERIENCE

- 1) From January 1999 to April 2001
Neurorehabilitation Unit, Casa di Cura San Raffaele Pisana, Rome
Attending physician
- 2) From April 2001
Attending Neurologist, Neurology Unit, Ospedale Pediatrico Bambino Gesù, IRCCS, Rome
In 2010, high specialization in "Headaches and pain in pediatric age"
In 2014, Director of Multiple Sclerosis Centre
As from January 1st 2017, Director of the Neurology inpatient Unit
- 3) From 1998 to 2008
Catholic University, Rome
Professor of Clinical Neurophysiology in the course of "Neurophysiopathological techniques"
- 4) From May 2010
Center for Sensory-Motor Interaction, Aalborg University, Aalborg, Denmark
Assigned Professor

INSTRUCTION AND EDUCATION

- 1) From 1996 to 1998
PhD in Neuroscience, Catholic University, Rome.
- 2) From 1991 to 1995
Specialization in Neurology, Catholic University, Rome (highest vote).
- 3) From 1985 to 1991
Graduation in Medicine, Catholic University, Rome (highest vote)

SKILLS AND COMPETENCES

MOTHER TONGUE: ITALIAN

FOREIGN LANGUAGES:

ENGLISH AND FRENCH

Prof. Valeriani directs the Neurology inpatient Unit in Bambino Gesù Children's Hospital

Prof. Valeriani deals also with clinical neurophysiology, with a particular interest on somatosensory and nociceptive evoked potentials, and pediatric headaches and pain.

In 2014, he obtained the National Scientific Qualification for Associate Professor in both Neurology and Infantile Neuropsychiatry.

From 2006 to 2013, Prof. Valeriani was part of the Editorial Board of *Clinical Neurophysiology*, official journal of the International Federation of Clinical Neurophysiology.

As from 2017, he is Associate Editor of BMC Neurology.

He is part of the Editorial Board of *Open Anesthesiology Journal* and *Open Pain Journal*. He worked as reviewer for international journals, such as Neurology, Journal of Neuroscience, NeuroImage, Cephalalgia, Headache, Brain, Cerebral Cortex, Journal of Neurophysiology, Experimental Brain Research, Muscle & Nerve, Brain Research, European Journal of Neuroscience, European Journal of Neurology, Psychiatry Research, European Journal of Pain.

As from 2013, prof. Valeriani is member of the Board of the Italian Society of Psychophysiology

As from 2013, he is coordinator of the "Neuroscience and Pain" scientific group of the Italian Society of Neurology.

As from 2016, he is coordinator of the South-Central Section of the Italian Society of Clinical Neurophysiology

From 2009 to 2014, he was coordinator of the "Clinical neurophysiology of migraine and primary headaches" scientific group of the Italian Society of Clinical Neurophysiology.

From 2008 to 2012, he was part of the Board of the Italian Society of Clinical Neurophysiology.

From 2007 to 2011, he was secretary of the local section of the Italian Society of Headaches.

As from 1995 he is member of the Italian Society of Clinical Neurophysiology (SINC).

As from 2003, he is member of the Italian Society of Headaches (SISC).

As from 2011, he is member of the Italian Society of Psychophysiology (SIPF).

As from 2013, he is member of the Italian Society of Neurology (SIN).

As from 2015, prof. Valeriani is member of the Italian Association for the Study of Pain

Awards

- 1998: award for young researchers at the VI International Evoked Potential Symposium, Okazaki, Japan.
- 1998: award at the national congress of the Italian Society of Clinical Neurophysiology, Trieste, Italy.
- 1999: IFCN 50th Anniversary Award, XI International Congress of EMG and Clinical Neurophysiology, Prague, Czech Republic.

Congresses and Meetings

Prof. Valeriani participated to several national and international congresses as speaker and/or chairman. He was invited to several courses in clinical neurophysiology and headaches as teacher.

Scientific publications

Prof. Valeriani published more than 180 papers in extenso in international IF journals, including Nature Reviews Neurology, Brain, Neurology, Pain, NeuroImage, Neuroscience, Cephalgia, Clinical Neurophysiology, European Journal of Pain. He wrote also chapters in international books. His official H-index is 37 (Scopus).

Rome 14/9/2017
